Education

University of Georgia
B.S. Computer Science

07/2025 | Athens, GA

Professional Experience

Revature

01/2025 – 03/2025 | Reston, VA

Java Developer Intern

- Completed an intensive software development training program focused on Java, SpringBoot, and SQL.
- Developed full-stack applications with Java, SpringBoot, REST API's, and relational databases.

University of Georgia, School of Computing

08/2024 – 12/2024 | Athens, GA

Research Assistant

- Conducted research on preventing data leaks in federated learning under the mentorship of Jaewoo Lee, analyzing security vulnerabilities and developing mitigation strategies.
- Utilized Python libraries such as PyTorch and TensorFlow to replicate attacks on the ResNet architecture and observe behaviors from deep leakage attacks

Zivaro

06/2024 – 08/2024 | Denver, CO

Cybersecurity Intern

- Supported threat detection and incident response efforts by analyzing security event logs and alerts.
- Utilized cybersecurity tools such as Splunk and SentinelOne to identify and investigate suspicious activity across the Zivaro network.
- Developed and presented a Splunk dashboard to administrative staff, showcasing real-time user activity to track and highlight security anomalies across the Zivaro network.

KnowAthens

02/2023 – 05/2023 | Athens, GA

Web Development Intern

- Redesigned webpages using Figma by creating wireframes and presented changes to the lead developer.
- Weekly scrum meetings with lead developer to discuss difficulties during weekly tasks.

Skills

Python | Java | JavaScript | C/C++ | SQL/NoSql | Splunk Enterprise | SentinelOne |
HTML/CSS | REST API's | SpringBoot | Flask | React/React Native | Express.js/Node.js |
AWS | Spanish (Native Speaker)

Certificates

Splunk Core Certified User | SentinelOne University
